1. Read the text and answer the questions.

Oh, my God! I just checked my calendar, , and I'm going to have the most eventful week ever! Check this out: tomorrow is Sunday and Monday is recess, so I won't exactly be doing much except for reading the book our Literature teacher assigned us. But obviously I'm going to school again on Tuesday – when the teacher will probably give us an oral test about the book I mentioned above. On Wednesday, if everything goes according to plan, I'll see my Geometry teacher again, which is pretty cool. He called in sick last week. Thursday is the busiest day – we'll be having an important essay, a little test about a very boring book our Spanish teacher made us read, and an extra class. On Friday I'm having Spanish classes in the morning and the regular ones in the afternoon, and finally, on Saturday one of my best friends is throwing a party!
